Mobile phones are NOT ALLOWED, failure to comply to this request will result in your Scout not attending the next camp and the phone confiscated, a suitable donation of £2 must made to get it back. (there is a genuine reason for no phones please ask)

All medication must be reported to a leader even if your Scout will have it in their rucsac and be able to decide for themselves when it's to be taken. If you would like a leader to ensure it's taken it must be handed to a leader with written instructions.
